

Chamber thanks LO for car show support

The Lake Area Chamber of Commerce relies heavily on the City of Lake Ozark and the Lake Ozark Police Department for the success of its annual Magic Dragon Street Meet Nationals car show. Chamber Executive Director K.C. Cloke presented the City of Lake Ozark and the LOPD plaques of appreciation for their support. In addition, the Chamber presented a \$1,000 check to the LOPD to help cover overtime costs incurred during the car show. Accepting on behalf of the city was Mayor Gerry Murawski and for the LOPD was Chief Gary Launderville.
