

City of Lake Ozark
At Bagnell Dam — Lake of the Ozarks

Trash Suspension Agreement Form

The City of Lake Ozark requires all residents to have trash service at all times, however we understand that some of you may not utilize the service during the winter months. This form will allow you to suspend your trash (*only*) for a period of three months.

Waste Corp of Missouri trash service will allow you to hold your cart during those months if they provide your cart. Please remember that your monthly trash charge cannot be prorated, so you will need to begin and end your service at the beginning or end of the month. Trash service will only be suspended if this form is complete.

Date of Application: _____

Customer's Name: _____

Service Address: _____

Mailing Address (during time you will be gone): _____

Account Number: _____

Contact Number: _____

Do you currently have trash service **with a cart** or **without a cart**? (Circle one)
